

## **PUZZLE BARCELONA TREASURE HUNT**

### **How it works?**

1. Once you have completed your purchase, you will receive an email with your activation code for the game and instructions within 1 to 24 hours.
2. Go to the starting point indicated in the email, enter the game website and put in your code. The code will be active for six months after purchase and for ten days after you begin the treasure hunt.
3. You will receive the first question and have to find the answer in the places closest to your current location. You can take your time, visit museums or stop off for a coffee en route ... or set yourself a personal challenge and finish in as short a time as possible!
4. Each correct answer will take you to the next location. When you have completed all the questions, you will win a prize. A drink in one of the bars on the route, discounts at original souvenir shops and more Barcelona experiences!
